Future Vision Laser Center
40 South Clay - Suite 9 West
Hinsdale, IL 60521

To the staff of Future Vision Laser Center,

Just a few short words to express my appreciation for your caring and professional manner.

Usually when you visit a DR's office, you just feel like another number. I did not feel that way at your office. The staff, including Dr. Foulkes went out of their way to make sure any questions or anxieties I had were answered. Dr. Foulkes even took time out of his busy schedule to call me that evening to make sure everything was ok and I was resting comfortably.

It's amazing! Now when I hit my golf balls I can see actually where they're going.

Sincerely,

Vlado Vasilev
